2. October 13 committee meeting minutes approved. January 7 minutes to be approved at the next committee meeting.
3. 501c3 Update - Waiting for approval of Articles of Incorporation. Thomas Wrobel and Associates will notify when approval posted onto the state portal.
4. Reservation for Yucaipa Regional Park was cancelled given that schools continuing distance learning and holding of in-person events for the school year.
5. Devin planned on sending a third survey to team teachers requesting confirmation on their schools participation on proposed virtual event. Response in prior meetings and surveys had been unclear. The committee will need a minimum number of teams who can commit to participation in order to move forward with full development of the virtual activities.
6. Valley District can still provide presentation to students on local water resources. Newly hired water resources and water conservation staff can likely present on topic. The committee will schedule presentation depending on how many teams confirm that they will participate. Kristeen with Valley District indicated they could provide a recorded presentation in April.
  - Janett with East Valley expressed concern with providing students enough time to complete a water resources PSA video if given a presentation in April.
  - Scott with WVWD recommended asking the teams how long they need to create a PSA.
7. Several committee members expressed concern on the timeframe to develop activities by mid-may given the school have still not confirmed.
  - Janett recommended proposing activities and giving them a timeframe to respond.
8. Several attendees recommended to propose the virtual event as decided by the committee and ask for schools to confirm participation within 1-2 weeks and absence of response would be considered as a “no”.

9. Meeting adjourned at 1:53
