4. Schools

West Valley is looking to getting Bloomington High. They are still waiting to hear back. Someone will be joining the teacher kick-off call.

Colton is following up with the schools that they have invited and is information them of the teach kick-off. Will update the committee as soon as she knows.

East Valley says Indian Springs is very interested but their only concern is funding.

San Bernardino states that Cajon may not participate this year but is not sure yet. Devin will reach out to Arroyo High as well.

Metropolitan is no longer having their event so it is possible that some of their schools may reach out to us to participate in our event. May reach out to Met's schools and allow some of them to join. We just can't have more than 10 schools.

5. 501c3

Devin will reach out to the legal team to figure out what the committee needs to do to be in compliance.

6. Budget

Mary Jo asking if anyone needs an invoice for last year's ISC event. Cecilia is almost ready to close out 2022, just need to receive the reimbursement for the park. The park will reimburse us for the cost of the lake but will not reimbursement for one of the days that was not used. Devin is working with them to get it sorted out, hopefully will be able to get some kind of credit for next year instead of reimbursement for one of the shelters.

7. Additional Items/Discussion

Mary Jo asked the committee members to begin brainstorming in PSA topics for next year. Devin as asking for suggestions by September 9th. That way the suggestions can be brought to the teachers at the kick-off meeting. Devin shared PSA topics of past years.
